**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who supports broadband competition and oppose efforts of ATT and others to increase their monopoly position, which will only increase prices, by seeking to modify existing legislation. I live in San Francisco and even in the center of technology we lack competitive services.
